PROSPECTIVE PARENTS PLEASE NOTE:

I/We understand that the registration fee is a non-refundable payment. I/We are also aware that the waiting list makes it impossible to **ACCURATELY** predict availability since children are grouped to age, and priority is given to existing children and their siblings, and then in strict rotation from a waiting list. The nursery aims to suit needs as soon as possible, with the least possible disruption. However, should parents choose to register and accept a place at another nursery, or, should a place be offered and subsequently declined etc., the registration fee can not in any event be refunded.

I/We enclose £ registration fee
